The 8th Annual Johns Hopkins Research Symposium on Engineering in Healthcare

FROM THE RESEARCH LAB TO THE MARKET: THE SCIENCE OF TRANSLATION IN HEALTHCARE

PROGRAM

8:00 a.m.	Registration and Breakfast	1:30 p.m.	Keynote—Advancing Pediatric Innovation to Shape the Future of Care for Children
8:30 a.m.	Opening Remarks		Kolaleh Eskandanian, PhD, Vice President and Chief
	Alexis Battle , Director of the Johns Hopkins Malone Center for Engineering in Healthcare		Innovation Officer at Children's National Hospital Introduction by Axel Krieger , Engr '08 (PhD),
	Srinivasan Yegnasubramanian , Director of in Health Precision Medicine at Johns Hopkins Medicine		Associate Professor of Mechanical Engineering, Whiting School of Engineering
8:50 a.m.	Keynote—Translational Science: More Treatments for All People More Quickly	2:20 p.m.	Commercialization of Scientific Innovations Through Entrepreneurship
9:40 a.m.	Annica M. Wayman, PhD, Deputy Director of the National Center for Advancing Translational Sciences, National Institutes of Health, U.S. Department of Health and Human Services Introduction by Israel Gannot, Adjunct Professor of Biomedical Engineering, Johns Hopkins Whiting School of Engineering		Gil Blankenship , Founder and Chairman of MDC Studio
			"MDC Studio: An Engineering-Based Startup Studio"
			Nicholas Durr, Associate Professor of Biomedical Engineering, Electrical and Computer Engineering, and Ophthalmology, Whiting School of Engineering and Johns Hopkins School of Medicine
	The Culture of Innovation at Johns Hopkins		"Translational Medtech Impact with Biodesign"
	Christy Wyskiel, Executive Director of Johns Hopkins Technology Ventures		Chad Schneider, Engr '04 (MSE), Chief Executive
	Commercialization Resources for ohns Hopkins Innovators"		Officer and Founder of Root3 Labs "Design for Manufacturing Engineering Considerations"
	Introduction by Israel Gannot		Considerations"
			Introductions by Aval Krieger
10:10 a.m.	Break		Introductions by Axel Krieger
		3:30 p.m.	Introductions by Axel Krieger Break
10:10 a.m. 10:30 a.m.	National Health Initiatives and Strategies to Improve the Impact of Translational Research	3:30 p.m. 3:40 p.m.	Break Navigating Challenges in Translation Across
	National Health Initiatives and Strategies to Improve the Impact of Translational Research Matt McMahon, Director of the NIH Small Business	-	Break Navigating Challenges in Translation Across Healthcare Sectors
	National Health Initiatives and Strategies to Improve the Impact of Translational Research Matt McMahon, Director of the NIH Small Business and Entrepreneurial Development Office	-	Break Navigating Challenges in Translation Across
	National Health Initiatives and Strategies to Improve the Impact of Translational Research Matt McMahon, Director of the NIH Small Business	-	Break Navigating Challenges in Translation Across Healthcare Sectors Abishek Kulshreshtha, Executive Director of the
	National Health Initiatives and Strategies to Improve the Impact of Translational Research Matt McMahon, Director of the NIH Small Business and Entrepreneurial Development Office "NIH Support for Healthcare Product Innovation"	-	Break Navigating Challenges in Translation Across Healthcare Sectors Abishek Kulshreshtha, Executive Director of the TEDCO Maryland Innovation Initiative Sezin Palmer, Global Health Data and Al Leader at EY Daniel S. Reich, Senior Investigator, Translational Neuroradiology Section, National Institute of
	National Health Initiatives and Strategies to Improve the Impact of Translational Research Matt McMahon, Director of the NIH Small Business and Entrepreneurial Development Office "NIH Support for Healthcare Product Innovation" Todd D. Merchak, Director of the Office of Program Evaluation and Strategic Partnerships, National	-	Break Navigating Challenges in Translation Across Healthcare Sectors Abishek Kulshreshtha, Executive Director of the TEDCO Maryland Innovation Initiative Sezin Palmer, Global Health Data and AI Leader at EY Daniel S. Reich, Senior Investigator, Translational Neuroradiology Section, National Institute of Neurological Disorders and Stroke Matt Tremblay, Chief Executive Officer of
	National Health Initiatives and Strategies to Improve the Impact of Translational Research Matt McMahon, Director of the NIH Small Business and Entrepreneurial Development Office "NIH Support for Healthcare Product Innovation" Todd D. Merchak, Director of the Office of Program Evaluation and Strategic Partnerships, National Institute of Biomedical Imaging and Bioengineering "NIBIB Translational and Technology	-	Break Navigating Challenges in Translation Across Healthcare Sectors Abishek Kulshreshtha, Executive Director of the TEDCO Maryland Innovation Initiative Sezin Palmer, Global Health Data and AI Leader at EY Daniel S. Reich, Senior Investigator, Translational Neuroradiology Section, National Institute of Neurological Disorders and Stroke Matt Tremblay, Chief Executive Officer of Blackbird Laboratories
	National Health Initiatives and Strategies to Improve the Impact of Translational Research Matt McMahon, Director of the NIH Small Business and Entrepreneurial Development Office "NIH Support for Healthcare Product Innovation" Todd D. Merchak, Director of the Office of Program Evaluation and Strategic Partnerships, National Institute of Biomedical Imaging and Bioengineering "NIBIB Translational and Technology Acceleration Programs"	-	Break Navigating Challenges in Translation Across Healthcare Sectors Abishek Kulshreshtha, Executive Director of the TEDCO Maryland Innovation Initiative Sezin Palmer, Global Health Data and AI Leader at EY Daniel S. Reich, Senior Investigator, Translational Neuroradiology Section, National Institute of Neurological Disorders and Stroke Matt Tremblay, Chief Executive Officer of Blackbird Laboratories Seth Zonies, Executive Business Partner for AI Initiatives, Whiting School of Engineering
10:30 a.m.	National Health Initiatives and Strategies to Improve the Impact of Translational Research Matt McMahon, Director of the NIH Small Business and Entrepreneurial Development Office "NIH Support for Healthcare Product Innovation" Todd D. Merchak, Director of the Office of Program Evaluation and Strategic Partnerships, National Institute of Biomedical Imaging and Bioengineering "NIBIB Translational and Technology Acceleration Programs" Introductions by Israel Gannot	-	Break Navigating Challenges in Translation Across Healthcare Sectors Abishek Kulshreshtha, Executive Director of the TEDCO Maryland Innovation Initiative Sezin Palmer, Global Health Data and AI Leader at EY Daniel S. Reich, Senior Investigator, Translational Neuroradiology Section, National Institute of Neurological Disorders and Stroke Matt Tremblay, Chief Executive Officer of Blackbird Laboratories Seth Zonies, Executive Business Partner for AI
10:30 a.m.	National Health Initiatives and Strategies to Improve the Impact of Translational Research Matt McMahon, Director of the NIH Small Business and Entrepreneurial Development Office "NIH Support for Healthcare Product Innovation" Todd D. Merchak, Director of the Office of Program Evaluation and Strategic Partnerships, National Institute of Biomedical Imaging and Bioengineering "NIBIB Translational and Technology Acceleration Programs" Introductions by Israel Gannot	-	Break Navigating Challenges in Translation Across Healthcare Sectors Abishek Kulshreshtha, Executive Director of the TEDCO Maryland Innovation Initiative Sezin Palmer, Global Health Data and Al Leader at EY Daniel S. Reich, Senior Investigator, Translational Neuroradiology Section, National Institute of Neurological Disorders and Stroke Matt Tremblay, Chief Executive Officer of Blackbird Laboratories Seth Zonies, Executive Business Partner for Al Initiatives, Whiting School of Engineering Facilitated by Amir Hossein Gandjbakhche, Senior Investigator, Section on Translational Biophotonics, Division of Intramural Research, National Institute of
